National Bike Week 2018
11 - 15 June 2018

We are taking part in the Northumberland Schools Cycle Challenge.

This will take place between the 11 - 15 June, with a trophy being awarded to the school who has the highest percentage of pupils cycling to school during the week, as well as some spot prizes for any deserving achievements.

To celebrate and support National Bike Week we are encouraging as many children to cycle to and from school. Bikes can safely be stored during school time in our covered bike sheds.

The week will conclude on Friday 15 June with a 'Bling Your Bike' day. Children are encouraged to decorate their bikes and bring them into school. The best dressed bike will win a prize!

Yours sincerely

Mrs H Ogglesby
