World Mental Health Day and Mental Health in School

Yesterday we celebrated World Mental Health Day in school with an assembly and various activities. On Wednesday 23 October, Years 4, 5 and 6 will take part in the Melva Project 2019-2020. The children will watch a play and take part in workshops throughout the day. This will help the children to learn about their mental and emotional health, ways to self-manage and support each other.

NSPCC

Thank you for your sponsorship towards the NSPCC appeal. An NSPCC worker will be coming into school to count the total raised. If you have any sponsor money still outstanding, please send it into school before Wednesday 16 October.

Sports for Schools

Thank you also for your generous sponsorship towards the Sports for Schools event. So far we have raised over £1400 with sponsor money still coming in. If you have sponsor money outstanding, could you please send it into school with your child. We receive a portion of the total raised which we can spend on sports equipment. Bands will be issued at a later date.

Contact Details

Data collection forms have been sent out with your child. If any of your contact details, including telephone number, have changed, please ensure that you update this with the school office. It is a statutory requirement that we hold two working contact telephone numbers for each child.

Yours Sincerely
