20 September 2018

AM/AD

Dear Parent/Carer

In support of our current focus text in English and our History and Science topics, Year 6 are visiting Craggside, Rothbury on Wednesday 3 October. The focus will be a visit to the house, Inventions and a Maths Trail. We will take a short walk in the grounds to see the Archimedes Screw and Pump House. We have visited Craggside with Year 6 before and it was hugely successful and beneficial to support work in lessons.

We need to leave school by coach at **9.00am**, so we would like your child to arrive at school for **8.40 am** in order to organise groups and toilet visits. We expect to return to school for about 3.30pm, but may be a little late due to traffic.

School sweatshirts, waterproof coats and sensible flat shoes must be worn that day. In order to cover transport costs, we would appreciate a voluntary donation of up to **£ 5.00 per child**. The final date for payment for the cost of the coach is **Thursday 27 September**. If insufficient donations are received, the visit may not take place.

Please complete the permission slip below for your child to attend the visit. If your child receives a Free School meal, please indicate below whether school will need to provide a packed lunch.

Many thanks for your support

**Mrs A. Dodds**  
**UKS2 Leader**

✂ -----
