Dear Parents/Carers

Friday 17 November 2023 is Children in Need Day. If your child would like to attend in non-uniform on Friday they are more than welcome to – spots optional!

This year's schools theme is "Positive Relationships". Children will explore the concept of positive relationships and the importance of them as well as celebrating the positive relationships in their lives.

Last year we undertook the 'Coast to Coast' cycle on Turbo trainers in the school hall. This year we will invite children and staff to join the "Pudsey Bearpees" Challenge throughout the day where we will see if Mowbray can collectively complete 10,000 "Bearpees"!

As in previous years, we ask that any donations are made directly to Children in Need at;

Yours sincerely

A. Miller
