HO/AR

30 November 2017

Dear Parents / Carers

Year six children have been learning survival skills during their Forest School session. Due to this and the success in previous years, we will be hosting a Mission Survival night this year. This will be held on Wednesday 13 December 4:00pm-6:00pm. The focus will be learning the importance of team work and using the skills acquired. Children will be building their own shelters and small fires. Food and drinks will be provided during the session.

All children who wish to attend will need to be at Forest School (on the field) no later than 4:00pm and, due to the lateness of the event, must be collected from the front gate leading onto the road at 6:00pm. They will need to wear several layers, wear sturdy shoes and bring a torch with them.

If you would like your child to partake in the unique experience please fill out the form below and return it to school no later than Friday 8 December.

If you wish to discuss any aspect of this event please feel free to contact me.

Yours sincerely

Mrs H Ogglesby
