Dear Parents/Carers

School Dinners and Packed Lunches

After reviewing school dinner provision with groups of our children recently, a few changes have been made which will start after half term.

- 1) The children asked for a greater range of meals as the current were repeated too often. As a result, Mrs Farrell has added a third week to our meals rota and altered the menus to include more meal options suggested by the children or ones which have been more popular in the past. Please find the new menus for after half term attached.
- 2) A number of children on packed lunches asked if they could "top up" packed lunches on occasion. Until now this has not been possible, but from after half term we will trial selling "top ups" until Christmas.

"Top Ups" will be available for packed lunch children and will be on sale daily at lunchtime. Top Ups will need to be purchased in cash on the day at the dinner hatch just as breaktime snacks are currently. We will begin with the following Top Ups;

- Cake and Custard – 80p
- Yoghurt – 30p
- Carton of Apple/Orange Juice – 30p
- Bottle of Milkshake – 80p
- Fruit – 30p
- Soup and a Roll – 80p

Top Ups are completely optional and the system will be reviewed at Christmas. Top Ups can not be purchased via the School Money online payment system.

Yours sincerely

Mr A Miller
