Forest School Living Eggs Project

From Tuesday 26 February, Forest School will be taking part in the Living Eggs project.

The school will be incubating eggs and hatching chicks. Your children will be learning about this process during their lessons.

Due to this, all Forest School lessons for the first two weeks back after half term will be indoors, therefore no Forest School clothing is required.

If you would like to visit the eggs – and subsequently the chicks – you can visit Forest School through the main entrance each afternoon straight after school from:

Tuesday 26 February – Friday 1 March and Tuesday 5 March – Thursday 7 March.

Yours sincerely

Mrs H Ogglesby
