Dear parents / carers

### **Nursery Wrap-around Provision and Nursery Lunches**

In light of our review of school provision it is with regret that I have to inform you that we will no longer be able to offer wrap around ("Top up") nursery provision or nursery lunches with effect from 1 November.

The decision has not been made lightly. However, the numbers of children taking up the wrap around provision has not been as large as anticipated and, after consultation with Northumberland County Council and The School Governing Body, the decision was made to cease offering the provision as school can no longer cover the increasing costs.

This does not have any effect on your entitlement to your free 15 hours of childcare which you currently access.

I appreciate that this decision may cause difficulties in terms of your childcare arrangements. Northumberland County Council provides information on local childcare providers through the Families Information Service: <http://www.northumberland.gov.uk/default.aspx?page=1926>

Please arrange for any standing orders to be cancelled from 1 November with your bank.

Yours sincerely
