HO/AR

13 June 2018

Dear Parent/Carer

After the success of previous years, Den Week will be during the week beginning 18 June. We will be building dens all over school and explore developing our Math's and English skills through this focus.

Outside at Forest School children will be building dens of all shapes and sizes and using a variety of materials (tarpaulins, sticks etc.) We will be building dens inside school as well and using these environments as an exciting learning tool.

If anyone has any materials that would be suitable for den building (both indoors and outdoors) that they would like to donate to school please contact me directly or the school office.

Thank you in advance for your continued support.

Yours sincerely

Mrs H Ogglesby
