Dear Parents/Carers

Bikes and Scooters

It is lovely to see so many people cycling or scooting to school. However, I would like to remind everyone that no-one should cycle or scoot on the main yard area. If children would like to cycle or scoot while waiting for school to start, please use the "old Mowbray yard" which contains the Forest School Cabin.

Keyboard Lessons

We have some available spaces for private music tuition on keyboards next year. The tutor will take pupils from Year 2 upwards. If you would like further information, including costs, please contact Mrs Robinson in the school office.

Parking

Northumberland County Council have asked that I inform all parents and carers that over the Summer holidays, double yellow lines and parking restrictions will be painted on Stakeford Lane and around school.

We are continuing to work with Northumberland County Council to attempt to find a solution to our parking issues.

Mowbray Day Centre

Please be careful when walking past Mowbray Day Centre. I have had several near misses reported where children have walked across the access road into Mowbray Day Centre car park without looking. The entrance to the car park can be busy at similar times to our school day.

Sports Day and Summer Fair

As in previous years there will be a carousel of activities with Key Stage 1 and Reception classes starting at 9.30am until 10.30am and Key Stage 2 running from 10.30am until 11.30am. This year, we would like all children to be dressed as much as possible in their new house colours for Sports Day. We also recommend that your child has a water bottle. Refreshments will be available from 9.00am if you wish to stay on site until Sports Day begins.

After both sessions are complete, we kindly ask that parents leave the school site so we can set up the grounds for the Summer Fair. Parents returning to collect children for the Summer Fair should enter from the Main Office at 1.30pm.

As last year, children will have an indoor lunch on fair day in order to keep them safe as the outside areas will be unsecure due to deliveries, traffic and visitors setting up equipment for the afternoon fair.

Yours sincerely

Mr A Miller
Headteacher
